

School Science Fair Registration Form

Please complete this form to register your school or classroom science fair with the Wood Buffalo Regional Science Fair. **This form must be filled out by all schools holding organized fairs.** The information you provide will be used to determine how many finalists your fair is eligible to send to the Regional Fair. **Please consult our website (www.wbrsf.ca) for additional details and for application deadlines.** Please note that students must use our online registration system to register for the WBRSF and may only do so if they have been chosen as a finalist by their school fair.

All students doing research with humans or animals or working with recombinant DNA or potentially infectious materials must have their project proposal approved by the WBRSF Ethics Committee prior to beginning their research. All human subjects must sign consent forms. Application forms can be downloaded from our website. Experiments involving ingestion of materials by humans (this includes studies on the effects of energy drinks and other store bought items) will not be permitted to proceed to the WBSRF.
