1. Mission

Our mission is to promote science education within the Regional Municipality of Wood Buffalo by providing unique opportunities for students to participate in hands-on learning exercises while interacting with local educators, researchers and industry scientists.

2. Goals

- To promote, organize, and operate an annual regional science fair for students in grades four through twelve within the Regional Municipality of Wood Buffalo.
- To recognize and reward scientific achievement and to provide students with an opportunity to participate in the Canada-Wide Science Fair.
- To assist local schools in establishing their own science fairs.
- To provide local schools and teachers with opportunities to attend field trips, workshops, scientific talks, and other activities aimed at enhancing school science curricula.
- To foster curiosity, critical thinking, and problem-solving skills in students by providing them with an opportunity to engage in experiment-based science.
- To encourage students to pursue careers in science.
- To build ties between students, educators, local industry and local scientists.
